Diamond Lattice! Super Easy Dimensional Quilt

You will be amazed at how easy it is to make this 3-D looking quilt.

Watch me make this on YouTube: <https://youtu.be/QHKdCAUpdYM>

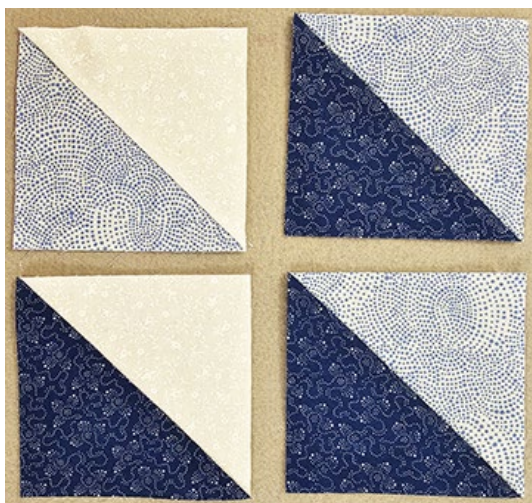

The quilt I made was 42" X 42" and used

1 Yard of Light Blue

1 Yard of Dark Blue

3/4 Yard of White

This quilt starts with 4 Half Square Triangles. I used 4" HST which started as 4 1/2" squares. BUT you can use any size that you want. I used the smaller HST's because it makes a quilt that fits well on my design wall.

For each block, you will need:

2 Light Blue and Dark Blue HST's

1 Light Blue and White HST

1 Dark Blue and White HST

Arrange the blocks as shown above.

The quilt as shown is made with 36 Diamond Stripe Blocks made into 9 Diamond Lattice Motifs.

Sew the blocks together to make a Diagonal Stripe Block.

Take 4 of the Diagonal Stripe Blocks and arrange them to make a Lattice Diamond Motif.

This quilt has 9 diamond Lattice motifs arranged in simple rows.

If you want to see other color options and other designs please check out the video: <https://youtu.be/QHKdCAUpdYM>

Here is one of the variations made with scraps.

I have even more disappearing videos on my channel: <https://www.youtube.com/questioningquilter>

Stay Well and Happy Quilting,

Brita
